MULTISPECTRA SPARK

MULTISPECTRA SPARK is meant for senior engineers, technologists and scientists.

This complements **MULTISPECTRA EDGE** the integrated programme offered by MultiSpectra Consultants for students and young engineers which has been a thundering success. A brief outline of **MULTISPECTRA SPARK** is given below.

MULTISPECTRA SPARK allows senior engineers, technologists and scientists to be affiliated to MultiSpectra Consultants on a profit-sharing or commission basis, not on a salaried basis. Such senior engineers, technologists and scientists will be expected to be involved in lead-generation as well as in project execution. As is well known, MultiSpectra Consultants has carved out a niche for itself for finding research-based solutions to Civil Engineering problems. In addition, MultiSpectra Consultants has a vibrant educational programme for students and young engineers and senior engineers, technologists and scientists can be associated with that.

#SparkInnovation

नमो तस्स भगवतो श्रद्धतो सम्मासम्बुद्धस्स

Just as one of the objectives of **MULTISPECTRA EDGE** is to develop a spirit of entrepreneurship among students and young engineers, one of the objectives of **MULTISPECTRA SPARK** is to develop a spirit of entrepreneurship among senior engineers, technologists and scientists.

MultiSpectra Consultants is also developing an online platform for Civil Engineers and Architects to interact in view of the fact that such a platform does not exist so far and is necessary and will have considerable market traction if the success of healthcare, property, e-commerce, travel and hospitality online platforms is any indication. Senior engineers, technologists and scientists are welcome to participate in the building of the platform.

Senior engineers, technologists and scientists may apply for **MULTISPECTRA SPARK** by e-mailing the undersigned at dramartyakumar@gmail.com attaching their current CV to the e-mail.

For and on behalf of MultiSpectra Consultants,

AK Bhattacharya

Dr. Amartya Kumar Bhattacharya
Chairman and Managing Director.

Diwan Bahadur Banga Chandra - Dr. Amartya Kumar Bhattacharya Group of Companies
Engineering for a Better World
